DISPLAY SERVICES

Design & Planning

We can assist with the design and planning of every booth or space at a trade show exhibition. Whatever the size or shape of your space, we'll create a design that's focussed on your brands, products and services.

Logistics

We can take full control and responsibility of all stock movements for your event. With an extensive nationwide supplier network, we will ensure your expo is built on time, every time.

Install & Dismantle

We are expert installers and dismantlers of expo stands & equipment. Our project managers & technicians can manage all aspects of your show build and takedown. With services including AV, lighting, signage and furniture installation, cleaning, testing and tagging, we provide the complete turnkey experience.

Graphics & Printing

We can supply all your exhibition printing requirements. We can manage the whole process from graphic designed artwork, print and production, to onsite installation.

Furniture & Audio Visual Hire

With a wide range of furniture and audio-visual products available to hire for your next event, every item is installed, cleaned and ready to go.

Customer Service

We are proud of our high customer service standards and client satisfaction. Our project managers and exhibition consultants work as a team with you to provide continuity and support throughout the exhibition process.
